

Sprockkids Leader Training Canada-wide

“On Site” Training

The One Day “On Site” Leader Training Session was designed to immerse the participants in the philosophy of the Sprockkids Program while providing them with the training, resource material, enthusiasm, and confidence to begin running their own Sprockkids Program.

New Leaders Trained

Class of 2014

This Spring, Sprockkids Creator & Program Coordinator Doug Detwiller has been very busy traveling from Vancouver Island to the Maritimes conducting Sprockkids Leader Training Sessions. Over 117 new Leaders have been trained, and many of them have already started their own Sprockkids Program. Sprockkids is all about getting kids, and their parents on bikes, while creating vibrant cycling communities across Canada. Your local Giant Dealer is making this vision a reality!

New Leaders: Ancaster, Baie d’Urfe, Bedford, Belleville, Brantford, Brookside, Campbell River, Comox, Courtenay, Dieppe, Duncan, Edmundston, Gibsons, Guelph, Halifax, Hamilton, Kamloops, Kelowna, Landmark, Milton, Moncton, Onslow Mountain, Penticton, Pinawa, Port Alberni, Quebec City, Revelstoke, Salmon Arm, Sooke, Saint John, Sidney, Stonewall, Tatamagouche, Truro, Toronto, Vancouver.

The creation of a new logo for Sprockkids has been a very special event. Sarah Sangster, Giant’s in-house graphic designer, has created a very unique and vibrant design that reflects the spirit, energy, camaraderie, excitement, adventure, and lifestyle that Sprockkids promotes.

Resource Material

Sprockids is a living breathing program that is constantly evolving to meet the needs of today's young riders. The Sprockids/Giant Team is continuously updating the material by working with talented individuals who bring their expertise to the table.

Resource Manuals:

- Original Program Resource Manual
- Instructional Leader Manual
- 8 Week After-School Program
- Participant "Passport"

Participant Package

To assist individual Sprockids Programs, the Team has put together an amazing package of items to enhance the cycling experience. There are a number of options to choose from.
